

The Champions' Tree at the Yawkey Sports Training Center

Inspiring Greatness at Special Olympics Massachusetts

Special Olympics provides more than just gold medals to the 11,000 athletes, it fosters courage, confidence, friends and incredible experiences to the participants, volunteers, coaches and family members. The commitment of our volunteers, the valor of our athletes, and the skills of our coaches make Special Olympics the largest and most successful amateur sports organization in the world.

These individuals, worthy of recognition, will be distinguished on *The Champions' Tree*, a one of a kind tribute to be displayed in the Yawkey Sports Training Center gymnasium as a stunning work of art.

In recognition of the important work of Special Olympics Massachusetts I hereby promise to make a tax-deductible gift of \$500 in support of *The Champions' Tree*, to further the mission and ensure long-term program strength for the Special Olympics Massachusetts family.

Funds received for *The Champions' Tree* will be used to support the ongoing and long-term needs of Special Olympics Massachusetts.
