

We are excited to share that Special Olympics MA and Fay School will be partnering this fall season to host a Level 1 Young Athletes program in Southborough, MA!

Young Athletes (Level 1) is an introductory sport and play program for children with and without intellectual disabilities ages 2-7. The focus is on fun activities that aid in the development of motor skills through running, jumping, balancing, throwing, kicking, catching and more! Activities covered during a Level 1 Young Athletes class can be referenced in the [Young Athletes Activity Guide](#).

Young Athletes offers families, teachers, caregivers and people from the community the chance to share the joy of sports with all children. Children of all abilities can take part and they all benefit!
