

We are excited to share that Notre Dame Academy will be hosting a Level 2 Young Athletes program this 2022 fall season in Worcester, MA!

Young Athletes (Level 2) is a child's next step in Special Olympics participation after they have gone through the Level 1 Young Athletes activities. Level 2 focuses more on sport specific skills and drills, and introduces young athletes to early game play concepts. Children ages 6-12 with and without intellectual disabilities are eligible to participate.

The Notre Dame Academy students will be covering soccer skills the first three weeks and soccer skills the final three weeks. This program will be an essential component to Notre Dame Academy becoming a Special Olympics Unified Champion School! And this program is also part of a Girl Scout Gold Award Project through the Girl Scouts of Central and Western Massachusetts.

Dates: Saturday Mornings

- October 1st
- October 8th
- October 15th
- October 22nd
- October 29th
- November 5th

Time: 9:30 am - 10:30 am

Where: Notre Dame Academy gymnasium
◦ 425 Salisbury St, Worcester, MA 01609
