Tie Breaker

A) The team that won in the head-to-head match-up wins the tiebreaker.

B) In the event the two teams tied in head to head match-up or if two or more teams are tied, then the team with the greatest differential between points scored and points allowed wins the tiebreaker. A cap differential of 15 points scored more than the opponent will be used. Example...A 40-23 win will be adjusted to a 38-23 win using the 15 point cap.

Therefore the difference between points scored and points allowed is 15.

C) If the teams are still tied then the team that allowed the least amount of points during the tournament wins the tiebreaker.

D) If teams are still tied, both teams will be awarded the same medal.

Some teams may also play **back to back** games. Please be aware of this in the case that this occurs during the **lunch hours** and be prepared.

Schedule is subject to change. Check master score board at your venue for updates.
