Massachusetts

**Young
Athletes™**

&

We are excited to share that Special Olympics Massachusetts and Belmont Recreation will be partnering to host a Level 1 Young Athletes program this 2022 winter season!

Young Athletes (Level 1) is an introductory sport and play program for children with and without intellectual disabilities ages 2-7, focusing on fun activities that aid in the development of early motor skills such as running, jumping, balancing, kicking, throwing and locomotor movements.

Young Athletes offers families, teachers, caregivers and people from the community the chance to share the joy of sports with all children.

Children of all abilities take part and they all benefit!

Based on the current guidelines from Special Olympics and Belmont Recreation, all volunteers, family members and athletes must wear masks during the program.

To participate, please first complete the online registration form by following the link below or scanning the QR code above.

www.specialolympicsma.org/BelmontYA

When: Saturday's from 10:30am - 11:30am

- January 22nd
