

Celebrating 50 years of Inclusion!

A donation to Special Olympics Massachusetts directly improves the lives of athletes. Your generosity will help to create communities where people with intellectual disabilities have opportunities to succeed on and off the field.

Individual donors are the largest source of funding for Special Olympics Massachusetts. Your donation will go directly towards athlete uniforms, sports equipment, awards and access to the best facilities available.

Beyond supporting the costs of competition for our athletes, your donation furthers a movement that is breaking down barriers and stereotypes - all while creating fuller, richer, healthier lives for people with intellectual disabilities.

*“Let me win.
But if I cannot win,
let me be brave in
the attempt.”*

PLAY

Programs Offered:

- Traditional team and individual sports for athletes 8 years and older

- Young Athletes Program for kids 2 1/2 - 7 years old
- Senior Sports for athletes over 40
- Interscholastic High School Unified Sports in partnership with the MIAA

COACH

Lead a team as a coach.

When you become a Special Olympics coach or assistant coach, you will find the rewards go far beyond the finish line.

You will help athletes

- Develop their physical skills
- Realize their self-worth
- Live life with courage
- Maximize their capacity to grow

Coaching is one of the most important and rewarding volunteer roles in Special Olympics. We could not support the athletes without the 1,600+ men & women in Massachusetts who choose to give their time and talents.

All coaches must be 18+ and assistant coaches must be at least 16.

VOLUNTEER

Leave your mark as a volunteer.

Volunteers are the backbone of Special Olympics Massachusetts! We are always looking for volunteers to help in the following ways:

- As medical support
- As a photographer
- As a helping set of hands at one of our events
