

Revere Recreation and Special Olympics Massachusetts are excited to partner together this spring season and host a Level 1 and Level 2 Young Athletes Program!

The Level 1 group will be for children ages 2-6 with and without intellectual disabilities and will focus on fun activities that aid in the development of early motor skills such as running, jumping, balancing, kicking, throwing and locomotor movements.

The Level 2 group will be for children ages 6-12, and will focus more on sport specific skill development and game play concepts. Track & Field skills will be covered the first 3 weeks, then Soccer skills the last 3 weeks.

The current environment we are in has required us to reduce to total number of volunteers we are usually able to have participate with us. With that said, we are asking if parents can participate along with their son or daughter each week and help them through the activity transitions. If a 1:1 volunteer is needed, please let us know beforehand and we can arrange that on a case by case basis.

**When:** Thursday afternoons

- May 20th
- May 27th
- June 3rd
- June 10th
- June 17th
- June 24th

To participate, please first complete the online registration form by following the link below or scanning the QR code above.
